

# Domain and Range 1

**Directions:** Color in or outline each part. Then find the domain and range for that part of the picture.

Picture Part	Domain	Range
Nose (orange)		
left eye (blue) <i>Example</i>	$-4.2 \leq x \leq -0.5$	$0 \leq y \leq 4$
right eye (green)		
mouth (black)		
head and neck, including the spiky hair – (yellow)		
Shirt (red)
